**NOTICE OF FILING –
COMPLIANCE**

Global Water – Palo Verde Utilities Company (“Palo Verde”), Global Water – Santa Cruz Water Company (“Santa Cruz”) and CP Water Company (collectively, the “Global Utilities”) provide notice of Palo Verde’s compliance with the following requirement of Decision No. 73146 (May 1, 2012): “IT IS FURTHER ORDERED that Global-Palo Verde shall file with Docket Control, as a compliance item in this docket by December 31, 2014, a copy of the Approval to Construct for the sewer mains that serve the first parcel in the approved extension area.” (Page 50, lines 4-6). Technically, the Arizona Department of Environmental Quality does not issue Approvals to Construct for wastewater collection systems, including sewer mains. The equivalent document that approves the construction of a wastewater collection system is the “Type 4.01 General Permit – Construction Authorization for a Sewage Collection System”. See Arizona Administrative Code (“A.A.C.”) R18-9-E301(A), which provides that “A 4.01 General Permit allows for construction and operation of a new sewage collection system or expansion of an existing sewage collection system involving new construction as follows....” Thus, the Commission has accepted Type 4.01 General Permits to meet compliance conditions in the past.

1 See e.g. Decision No. 68995 (Oct. 20, 2006)(Johnson Utilities, LLC). A copy of the "Type 4.01
2 General Permit – Construction Authorization for a Sewage Collection System" issued for the
3 construction to serve the "first parcel in the approved extension area" is attached.

Re: Edison Road Industrial Park
Sewer line
ADEQ File #: 20150105, LTF #: 62248

Dear Sir/Madam:

The Arizona Department of Environmental Quality (ADEQ), Engineering Review Unit has completed the preconstruction review for the above sewer collection system. Enclosed is the Construction Authorization for a Type 4.01 Sewage Collection System General Permit.

After completing construction of the sewage collection system and prior to discharging to the system, the permittee shall submit to the Department the "Request for Discharge Authorization, Sewage Collection System" and associated documents in accordance with Arizona Administrative Code R18-9-A301(D)(1)(f). Please submit the "Request for Discharge Authorization, Sewage Collection System", and the required documentation including one set of as-built plans, and all required test results to:

Arizona Department of Environmental Quality
ATTN: Engineering Review Desk
1110 W. Washington Street
Phoenix, AZ 85007

Once ADEQ determines that the construction meets the requirements of A.A.C. R18-9-E301, a Discharge Authorization for a Type 4.01 Sewage Collection System General Permit will be issued, and the permittee may begin discharging wastewater to the system.

If the Department does not receive the "Request for Discharge Authorization" application within two years of the date of the Construction Authorization, the applicant is prohibited from continuing construction, and the applicant is required to submit a new Notice of Intent to Discharge and any applicable review fees to begin or continue construction.

This decision is an appealable agency action under A.R.S. § 41-1092. You have a right to request a hearing and file an appeal under A.R.S. § 41-1092.03(B). You must file a written Request for Hearing or Notice of Appeal within **30 days** of your receipt of this Notice. A Request for Hearing or Notice of Appeal is filed when it is received by ADEQ's Hearing Administrator as follows:

Attn: Hearing Administrator
Office of Administrative Counsel
Arizona Department of Environmental Quality
1110 W. Washington Street
Phoenix, AZ 85007

The Request for Hearing or Notice of Appeal shall identify the party, the party's address, the agency and the action being appealed and shall contain a concise statement of the reasons for the appeal. Upon proper filing of a Request for Hearing or Notice of Appeal, ADEQ will serve a Notice of Hearing on all parties to the appeal. If you file a timely Request for Hearing or Notice of Appeal you have a right to request an informal settlement conference with ADEQ under A.R.S. § 41-1092.06. This request must be made in writing no later than **20 days** before a scheduled hearing and must be filed with the Hearing Administrator at the above address.

Please contact Fahmida Maula at (602) 771-4748 if you have questions regarding this Notice or the approved project.

Sincerely,
